MEMORANDUM FOR THE SENIOR INTERAGENCY GROUP/REFUGEES

FROM : H. Eugene Douglas

Attached is a replacement page 5 for the earlier memorandum that I sent to you dated August 29 re Amnestied Salvadorans. Please replace the earlier version with that attached.

Attachment:

As stated.

(as dictated, not seen)

CONFIDENTIAL

In any case, we believe we should respond to the Salvadoran Government's appeal for assistance and join with other Western governments in offering it. Representatives of the Administration will, of course, confer with appropriate members of Congress and their staff. We would like your concurrence to proceed with a program to admit up to two hundred Salvadorans as refugees under the provisions of the Refugee Act of 1980.
